Six Dunsmuir Residents Killed Instantly In Head-on Crash

Three well known Dunsmuir couples were killed instantly on Sunday when the station wagon in which they were riding went out of control, south of Yreka on Interstate 5.

Investigating officers said the driver of the northbound station wagon apparently lost control, crossed the center highway line and crashed headon into an approaching car.

Killed in the crash were the driver of the station wagon, Leonard L. Smith, 62, and his wife

Marguerite, 58, Norman Errol Beaughan, 71, and his wife, Sidona Beaughan, 71, Morris E. Plymate, 71 and his wife, Dorothy, 67, all of Dunsmuir, and George S. Ward, 64, Yreka, the driver of the other auto.

Ward's wife, Carolyn, 60, was critically injured and taken to a hospital in Medford, Oregon.

Smith was the assistant bridge and building supervisor for the Sacramento Division of Southern Pacific in Dunsmuir, and

Plymate was a retired locomotive engineer from the Southern Pacific. Beaughan was a retired lease clerk for the Southern Pacific Co. and a former Dunsmuir city clerk. His wife was a retired Dunsmuir Elementary School teacher.
